## IPR

- Title of the program:** IPR Essentials: Protecting Innovations
- Name of the resource person:** Asst. Prof. Aaliya Nadim
- Organizing Cell/Department:** Department of Mathematics
- Date/Duration:** May 6, 2024
- Number of participants:** 45
- Objective of the programme:** To protect the creations of the human mind, encourage innovation, and enable creators to benefit from their inventions or creations.
- Detail Description of the Event:** On May 6<sup>th</sup>, 2024 the Department of Mathematics organized an insightful seminar on intellectual property rights, featuring AaliyaNadim as the resource person. She expertly elucidated the intricacies of intellectual property rights, emphasizing their relevance and application within academic and research contexts. The seminar catered to both faculty and students, providing a comprehensive overview of the legal frameworks protecting intellectual creations. Participants gained valuable knowledge on patenting, copyrights, and trademarks, enhancing their understanding of how to safeguard their innovative work. The event was a resounding success, fostering a deeper appreciation of intellectual property rights within the academic community.
- Outcome of the Programme:** Protection of innovation, encouragement of creativity, promotion of economic growth, fair competition, and preservation of cultural heritage.
- Brochure:**

# St. Xavier's College, Mahuadanr Latehar-822119, Jharkhand

## 10. Photo:

1. **Title of the Program:** Intellectual Property Rights Programme (Plagiarism)

2. **Organizing Department / Cell:** Department of English

3. **Date/Duration:**

4. **Number of Participants:** 15

5. **Objective:**

To help students to avoid plagiarism and to foster a culture of respect for the intellectual contributions of others

6. **Detail Description of the Event:**

7. Dr. Fr. Rajeev Kumar Tirkey Asst. Professor of English has conducted an IPR session on the topic "Plagiarism". He had made the students understand what is Plagiarism and how to prevent plagiarism in the research papers.

8. **Understanding Plagiarism**

9. **Plagiarism** is the act of using someone else's work, ideas, or expressions without proper acknowledgment. It is considered a serious academic offense and can take several forms:

**Direct plagiarism:** Copying text word-for-word from a source without quotation marks or citation.

**Self-plagiarism:** Reusing one's own previous work without permission or acknowledgment.

**Mosaic plagiarism:** Interspersing one's own words with those copied from a source without quotation marks or proper citation.

# St. Xavier's College, Mahuadanr Latehar-822119, Jharkhand

**Accidental plagiarism:** Failing to cite sources correctly or unintentionally paraphrasing without attribution.

- b. Preventing Plagiarism
- c. Education and Awareness:
- d. Proper Citation:
- e. Use of Plagiarism Detection Tools:
- f. Clear Policies:

**Outcome:**

- g. Students have learned the importance of authentication in writing the research papers

5. **Objective:**

To help the students to learn the techniques and proper methods in writing research papers.

6. **Detail Description of the Event:**

The Department of English organized a workshop on “Research Methodology” on **May 25, 2024**. Asst. Prof. Dr. Fr. Rajeev Kumar Tirkey was the resource person. The purpose of this workshop is to identify and examine the components essential to planning and executing college-level research writing assignments. He has explained to the students step by step the writing process.

Research Paper Writing Process:

1. Assignment Clarification
2. Time Management
3. Topic Selection
4. Topic Brainstorm
5. Library Visit
6. Locate/Select Sources
7. Survey Sources
8. Topic Focus
9. Read Articles
10. Preliminary Thesis
11. Outline
12. Draft Paper
13. Revise Paper
14. Sources of Help

7. **Outcome:**

At the end of this workshop, students were able to:

1. Identify and conceptualize the essential steps in the research paper writing process;

# St. Xavier's College, Mahuadanr Latehar-822119, Jharkhand

2. Access valuable campus resources to help at various stages of the writing process;
3. Use time management strategies to plan for the successful and timely completion of a research paper project.

4. **Number of Participants:** 30

5. **Objective:**

- To equip the with the basic skills needed to navigate digital environments confidently.
- To ensure that the students learn to prepare PowerPoint Presentations for their class preparations
- To improve their academic performance through ICT skills.

6. **Detail Description of the Event:**

Department of English has conducted “The ICT Skill Development Program” on 19<sup>th</sup> March 2024 to equip the students with essential digital skills.

By addressing the growing need for ICT proficiency, Dr. Fr. Rajeev Kumar Tirkey, the resource person not only enhanced participants' employability but also contributed to broader understanding of the students.

He encouraged the students by saying that continued investment in ICT skill development is crucial to keeping pace with technological advancements and workforce demands. In an increasingly digital world, proficiency in ICT is essential for personal, academic, and professional success.

Students learned the techniques in preparing the PowerPoint Presentations and were encouraged to do so for the further development of ICT Skills

7. **Outcome:**

Students were equipped with the basic skills needed to navigate digital environments confidently. The programme fostered critical thinking and problem-solving abilities by using technology.

## Orientation Program

1. **Title of the Program :** Orientation programme for the freshers
2. **Organizing Department / Cell :** IQAC
3. **Date/Duration :** August 21<sup>st</sup> to 26<sup>th</sup> , 2023
4. **Number of Participants :** 145
5. **Detail description of the event:**

2023-27 batches took place at St. Xavier's College from 21st to 26th August. The objective of the program was to acclimate the newcomers to the college's vision, mission, values, rules and various aspects of academic and personal development. The comprehensive curriculum covered a wide range of topics, providing a strong foundation for the students' college journey.

The program commenced with a warm and enlightening address by the Principal, who elucidated the college's vision, mission, and culture. This address set the tone for the

# St. Xavier's College, Mahuadanr Latehar-822119, Jharkhand

entire orientation, emphasizing the values of the institution and the importance of holistic development.

Fr. Samir took the stage to explain the college's rules and regulations, emphasizing punctuality and discussing the aims and objectives of the institution. Additionally, he touched upon sensitive matters such as gender sensitivity, respecting cultural diversity, and the need for self-audit in personal growth.

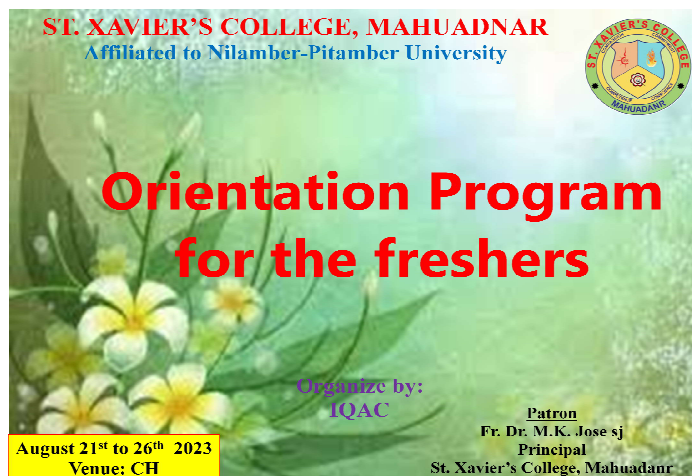

Numerous significant topics were addressed throughout the program. These ranged from the importance of utilizing the library resources effectively to sharing real student experiences, highlighting the college's extension units and the significance of conserving and preserving natural resources and the environment.

Socio-political life was another crucial topic, shedding light on the college's commitment to nurturing socially conscious individuals. The program also underscored the importance of skill development, empowerment of women, and the role of technology in advancing one's life and career.

The orientation further introduced students to campus organizations such as AICUF (All India Catholic University Federation) and the Eco-Club, encouraging active participation beyond academics. Practical aspects of daily life, like the application of common sense and proper use of facilities like washrooms, were also covered.

Attendance was robust, with all the fresher's enthusiastically participating in this foundational course. The orientation program effectively provided a comprehensive introduction to the ethos of St. Xavier's College, equipping the new students with the knowledge and values necessary to thrive in their academic journey and beyond.

5. **Detail description of the event:**

### Objective:

The orientation program for newly admitted students at our college, held on August 10, 2023, aimed to acquaint incoming students with the academic environment, resources, and opportunities available at our institution. Specifically, the Department of Political Science sought to introduce new students of batch of 2023-2027 to the field of political science, outline the curriculum, and foster a sense of belonging within the department.

### Activities and Highlights:

The orientation commenced with a welcome address by the Head of the Department, Professor Ms.Moti Deogam who provided an overview of the department's mission, academic programs, and faculty expertise. Following this, current students shared

# St. Xavier's College, Mahuadanr Latehar-822119, Jharkhand

their experiences and offered practical advice on navigating academic life and extracurricular activities.

Faculty members conducted sessions on the importance of political science in today's world, career prospects in the field, and research opportunities available within the department. A tour of the department's facilities, including the library and research labs, provided students with firsthand knowledge of the resources at their disposal.

Interactive sessions encouraged students to ask questions and engage with faculty and senior students, fostering a supportive and inclusive atmosphere. The program concluded with a networking session where students could connect with peers and faculty members over refreshments.

Conclusion:

The orientation program was a resounding success, achieving its objectives of familiarizing new students with the Department of Political Science and its offerings. Feedback from participants was overwhelmingly positive, highlighting the informative sessions, friendly interactions, and valuable insights gained during the program. Moving forward, the department aims to build on this foundation of camaraderie and academic excellence, ensuring that every student feels equipped and motivated to excel in their studies and beyond.

## Soft Skill Program

# St. Xavier's College, Mahuadanr Latehar-822119, Jharkhand

- 1. Title of the program:** Soft Skill Program on “Problem Solving”
- 2. Name of the resource person:** Asst. Prof. Aaliya Nadim
- 3. Organizing Cell/Department:** Department of Mathematics
- 4. Date/Duration:** May 26, 2024
- 5. Number of participants:** 46

**6. Detail Description of the Event:**

On May 26<sup>th</sup> 2024, Department of Mathematics conducted Soft Skill Program on “Problem Solving” at F9. Resource person Asst. Prof. Aaliya Nadim said that problem- solving involves the ability to come up with alternative solutions. This skill is crucial to identifying and addressing complex challenges and opportunities in a variety of contexts. She also said that problem solving also makes easier to make more informed decisions because everyone are able to analyse situations and identify the best course of action.

She also focused on Some examples of problem solving skills:

- Critical thinking
- Analysis
- Strategic thinking
- initiative

This program was very beneficial for students as they learned problem solving skills by this program.

7. **Objective:** To provide students with hands-on research experience and in-depth knowledge about the processes and mechanisms underlying plant growth, development, and reproduction.
8. **Detail Description of the Event:**

# St. Xavier's College, Mahuadanr Latehar-822119, Jharkhand

On April 3<sup>rd</sup>, 2024, the Department of Botany initiated a research program focused on Plant Developmental Biology. The program was designed to offer students a unique opportunity to delve into the intricate processes and mechanisms governing plant growth, development, and reproduction.

Participants engaged in hands-on research activities conducted in laboratory or field settings, under the guidance of experienced faculty mentors and researchers. They were introduced to cutting-edge scientific techniques, methodologies, and tools used in the study of plant developmental biology.

The event included immersive lectures, practical demonstrations, and interactive workshops aimed at providing participants with a comprehensive understanding of plant growth, development, and reproduction at the molecular, cellular, and physiological levels. Students were encouraged to explore research questions, design experiments, collect and analyze data, and draw conclusions based on their findings.

9. **Outcome:** Students demonstrated a deeper understanding of the processes and mechanisms governing plant growth, development, and reproduction, gained through immersion in laboratory or field-based research activities and exposure to cutting-edge scientific literature.

This report outlines a week-long Excel learning program conducted under the guidance of Professor Khursid Alam for students, focusing on enhancing skills in information and communication technology (ICT). The program aimed to equip students with essential Excel competencies relevant to their academic and future professional endeavours.

# St. Xavier's College, Mahuadanr Latehar-822119, Jharkhand

## 7. Objectives

Introduce the Excel interface, basic functions, and essential features to build a solid foundation. Provide exposure to pivot tables and data validation, enhancing students' capabilities in handling large data sets.

The week-long program was a resounding success, with students showing significant improvement in their Excel skills by the end of the course. Under Professor Khursid Alam's expert guidance, participants not only learned the technical aspects of Excel but also engaged in hands-on exercises that fostered practical understanding.

8. **Outcome:** The knowledge gained will empower students to apply these skills in their academic projects and future careers, particularly in fields that require data analysis and management. Overall, the program reinforced the importance of ICT literacy in today's data-driven world and laid a strong foundation for ongoing learning in Excel and beyond.

4. **Date/Duration:** March 6<sup>th</sup>, 2024
5. **Number of participants:** 38
6. **Objective:** The Objective of Program is to understand by structuring it logically, avoiding jargon or overly complex language.

7. **Detailed Description of the event:**

On 6<sup>th</sup> March, 2024, Language and Communication Skill on Methodology of Speech organized by the department of Kurukh at ICT Room. The aim of the methodology of speech is to convey ideas, emotions, or information in a manner that engages the audience and achieves the speaker's desired outcome. This can range from informing, persuading, entertaining, or motivating an audience. The methodology of speech refers to the structured approach used to effectively deliver a message, ensuring

# St. Xavier's College, Mahuadanr Latehar-822119, Jharkhand

clarity, engagement, and understanding. It involves a combination of planning, content structuring, and delivery techniques that align with the objectives of the speech. This report outlines the key components of speech methodology, including its aim, objectives, expected outcomes, and importance.

The program opened with an introduction lecture by HoD, Pyari Kujur, highlighting The importance of a well-defined speech methodology.

Resource Person Dr. Fr. Rajeep Kumar Tirkey from the department of English shared his insights that the methodology of speech is a vital tool for anyone looking to deliver an impactful message. By defining clear aims, structuring content logically, and refining delivery techniques, a speaker can effectively engage their audience and achieve their intended outcomes. Whether in a formal or informal setting, following a sound speech methodology enhances the overall communication experience, ensuring both the speaker and audience benefit from the interaction.

Each participant was given the freedom to ask questions .

## 8. Outcome:

The outcomes of the program is that the audience gains new knowledge or insights on the topic.

## 6. Detail Description of the Event:

In the ICT Skills Session organized by the Hindi Department on 10 November 2023 at St. Xavier's College, Mahuadanr, speaker Khurshid Alam gave a detailed lecture on computer hardware and software. The aim of this session was to provide proficiency in ICT (Information and Communication Technology) to the students, with an emphasis on developing an understanding of the technical aspects of computers.

Today's high level technology includes many advanced technologies, which are making our lives easier and more productive. Some of the major technologies are as follows:

1. Artificial Intelligence Amazon Alexa or Google Assistant, which recognize voices and answer and follow commands.
2. Machine Learning (ML): Netflix's recommendation engine that recommends new movies or shows based on the content watched.
3. Internet of Things Smart home system in which lights, ACs and security cameras are connected to the Internet and controlled from the phone.
4. Blockchain: Used in financial transactions.
5. Cloud Computing: Google Drive or Drop box where you can store and share your documents, photos, or files
6. 5G Network:

All these technologies are impacting various aspects of our lives, be it education, healthcare, or business, and these will lead to even more advancement in the future.

## 7. Outcome:

The outcomes of developing ICT skills, particularly in computer hardware and software, include several key benefits that enhance both individual and organizational performance Improved Technical Competence, Increased Productivity, Enhanced Problem-Solving Abilities, Better Career Opportunities, Greater Digital Literacy, Innovation and Creativity, Improved Collaboration and Communication, Enhanced Cyber security Awareness, Adaptability to Technological Change. These outcomes help individuals stay competitive in the job market, contribute more effectively to their organizations, and lead to overall improvements in efficiency, security, and innovation.

1. **Title of the Program:** Soft Skill on Self-Assessment
2. **Organizing Departments:** Physics
3. **Date/Duration:** February 02, 2024
4. **Number of participants:** 20
5. **Objective:** The main objective of a soft skills self-assessment is to analyze an individual's interpersonal abilities and identify areas of strength as well as possibilities for improvement.

**6. Detailed Description of the event:**

On 2<sup>nd</sup> Feb. 2024, Soft Skill on Self-Assessment organized by the department of physics at ICT Room. The importance of the program is to increase recognized as essential in both personal and professional contexts. The program opened with an introduction lecture by HoD, Md Zafar Aqubal, highlighting Professional Growth, Adaptability, and Resilience. Soft skills, like adaptation and problem-solving, are essential for managing change and overcoming obstacles. Self-assessment helps individuals determine how well-equipped they are to deal with unexpected situations and adjust to new environments.

Resource Person Surbhi Sinha from the department of Commerce shared her insights that self evaluation is mandatory , self-assessment of soft skills is a crucial step in understanding one's interpersonal strengths and areas for development. It enables people to decide how they should grow in work and life, making them more successful across different contexts. Whilst the need for soft skills in today's

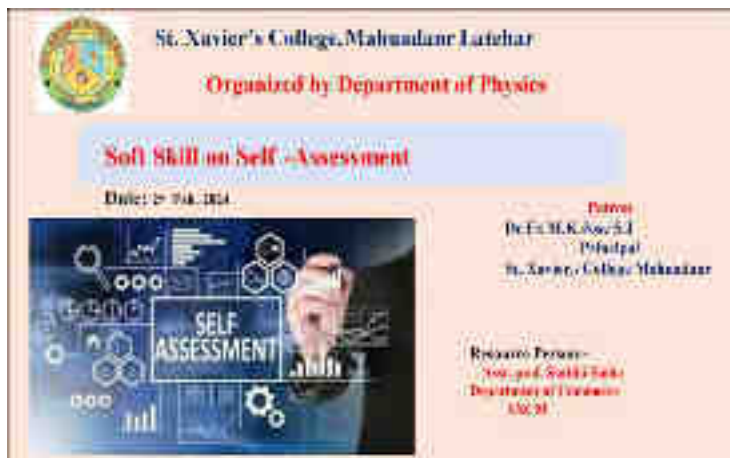

# St. Xavier's College, Mahuadanr Latehar-822119, Jharkhand

workplace is strengthening, consistent self-assessment will drive forward progress and success.

There are 20 enthusiastic participants in the program from the department of physics and Mathematics. Each participant was given the freedom to ask questions.

7. **Outcome:** The self-assessment of soft skills typically results in a clear understanding of one's interpersonal abilities. Individuals gain a better understanding of their behavior, emotional intelligence, and how they interact with others.

5. Number of Participants : 23
6. Objective : To acquaint the students with the knowledge with indigenous food
7. Detail Description of the Event: 19<sup>th</sup> January 2024  
Department of history had organized a session on the topic tribal food habits for the students of semester 2. The program Dr. Dibya Sobha Tigga was the keynote speaker. In the session all the students were asked to do some research on food habit of tribal in remote area of the locality. Many students were asked to present their point of view on food habits after that Dr. Dibya Sobha Tigga explain the facts about the tribal food habits why tribal's village are located in the forest area only. Because most of the food tribal get it from forest. For medicine they depend on herbs and herbal plants are found in forest. Even the forest fruit and food and mostly get from the forest only. Tribal don't depend on the market to get food. Because tribal eat the forest herbs and fruits their immune system is super fine. This session was concluded with the good feedback from the students and well appreciated with the good information.

- Title of the Program:** Soft Skill: - Leadership skill
- Organizing Department / Cell:** Department of Hindi
- Date/Duration:** January 8, 2024
- Number of Participants:** 44
- Objectives:** The objective of soft skills in leadership is to enhance a leader's ability to effectively communicate, collaborate, and manage people and situations in a workplace. Soft skills like empathy, communication, adaptability, and problem-solving are essential in leadership roles as they help in Building Strong Relationships, Improving Communication, Conflict Resolution, Motivating and Inspiring Teams, Adaptability, Emotional Intelligence.
- Detail Description of the Event:**

Surabhi Sinha delivered a lecture on Leadership Skills in the Soft Skills session organized by the Hindi Department on 18 January 2024 at St. Xavier's College Mahuadanr. The aim of this session was to help students develop leadership skills so that they can be successful in their personal and professional lives. Speaker Surabhi Sinha said that There are many important qualities of leadership skills that define a good student. Some of the main qualities are as follows:

  - Attitude
  - Communication skills
  - Problem-solving ability
  - Decision making ability

# St. Xavier's College, Mahuadanr Latehar-822119, Jharkhand

5. Motivation
6. Collaboration and teamwork
7. Empathy
8. Ethics
9. Flexibility
10. Ability to work under pressure

All these qualities help in becoming an effective and successful leader.

## 7. Outcome:

The outcomes of developing and applying soft skills in leadership

Improved Team Performance, Better Communication, Higher Employee Engagement, Conflict Resolution and Reduced Turnover, Increased Innovation and Problem-Solving, Stronger Organizational Culture, Adaptability and Resilience.

7. **Detailed Description of the event:**

On 8<sup>th</sup> January, 2024, ICT Skill Development Program on MS EXCEL organized by the department of Kurukh at ICT Room. The aim of MS Excel is to provide users with a platform for organizing and manipulating data efficiently, enabling them to perform calculations, analyze data, and visualize results. It serves as a versatile tool for managing large sets of data and drawing meaningful insights from them. MS Excel plays a crucial role in a variety of fields, from finance and business to education and research. The program opened with an introduction lecture by HoD, Pyari Kujur, highlighting EXcel is used across industries for data entry, financial analysis, inventory tracking, project management, budgeting, and more. It is a staple tool in offices worldwide. Resource Person Ajay Kumar Saw from the department of Physics shared his insights that MS Excel is a critical tool for managing, analyzing, and visualizing data, offering immense value across many fields. Its wide range of functionalities, ease of use, and integration with other software make it indispensable for data-driven tasks. By following a structured approach, users can harness the full power of Excel to improve productivity, streamline operations, and make well-informed decisions based on accurate data analysis. Each participant was given the freedom to ask questions.

2. **Organizing Departments:** Physics
3. **Date/Duration:** October 10, 2023
4. **Number of participants:** 25
5. **Objective:** Life skills education for mental health objective to provide individuals with the tools they need to properly manage their emotional, psychological, and social well-being.

6. **Detailed Description of the event:**

On 10<sup>th</sup> October 2023, Life Skill on Mental Health organized by the department of physics at ICT Room. The aim of integrating life skills with mental health education is to promote overall well-being by developing the necessary skills to cope with the stresses of daily life and build healthy relationships. The program opened with an introduction lecture by HoD, Md Zafar Aqubal, highlighting Preventing Mental Health Issues: Life skills education can prevent mental health problems before they arise by teaching individuals how to handle stress, make healthy choices, and maintain balance in their lives.

Resource Person Areful Haque from the department of Geography shared his insights that Life skills are vital for fostering and maintaining mental health. They provide individuals with the tools they need to manage stress, regulate emotions, develop resilience, and establish meaningful connections. Integrating life skills education into mental health efforts is critical for improving emotional well-being, reducing mental health problems, and increasing overall quality of life. Individuals who develop these talents can better cope with life's problems while still maintaining a healthy and balanced mental state, which contributes to their success and happiness.

There are 20 enthusiastic participants in the program from the department of physics and Mathematices. Each participant was given the freedom to ask questions .

7. **Outcome:** The outcomes of a mental health program is to Improve Mental Health Awareness .Participants become more knowledgeable about mental health issues, including recognizing symptoms of common mental health disorders such as anxiety, depression, and stress. This increased awareness often reduces stigma and encourages open discussions about mental health.

## Awareness Program

### Environment Awareness programs

#### **PRESERVING THE TREES FOR A HEALTHY LIFE**

The Department of English Organized the Environmental Awareness Programmes in the Rajkiya Krith Madhya Vidhyalay of Regain village. The students have performed a skit emphasizing the significance of trees in maintaining ecological balance and promoting human health. The skit showcased the vital role of trees in mitigating climate change, improving air quality, conserving biodiversity, and enhancing the quality of life for communities.

Students have demonstrated A tree planting demonstration to showcase techniques for planting

and caring for trees, encouraging participants to actively participate in tree planting initiatives in their communities.

Dr. Fr. Samir Toppo enlightened the students about the need for sustaining a healthy environment, advocating for tree conservation,

# St. Xavier's College, Mahuadanr Latehar-822119, Jharkhand

and adopt sustainable lifestyle practices for the well-being of present and future generations.

## **IMPORTANCE OF SAVING WATER**

The Department of English organized an environmental awareness programme on 23<sup>rd</sup> May 2024 on the importance of saving water. A keynote address was delivered by Dr. Fr. Rajeev Tirkey providing an overview of the global water crisis, its impact on communities and ecosystems, and the urgent need for water conservation measures.

The students of the English Department played a skit named “Jal ka Mahatwa” to deepen their understanding of water scarcity, its causes, and its consequences for human health, agriculture, industry, and the environment, advocating for water conservation in their communities, and support efforts to protect and preserve water resources for future generations.

# St. Xavier's College, Mahuadanr Latehar-822119, Jharkhand

## VAN MAHOTSAV WEEK FOR ENVIRONMENT PROTECTION

Fr. Dr. M. K. Josh, principal of this college emphasizes the need to protect and conserve the environment. Further, he addresses the gathering that it gives immense pleasure to see the high enthusiasm exhibited by the students who come forth for massive plantation drives. He also said that during this festival every citizen of India is expected to plant a native sapling and pass it on to the next generation. Native plants are chosen because they can adapt easily to climatic conditions. We also are taking care of and protecting the new saplings of plants.

### Plantation Drive

The program on “Plantation Drive” was organized by the Department of Geography in collaboration with the Eco Club on August 14<sup>th</sup>, 2023.

Fr. Dr. M. K. Josh, the principal of this college emphasizes the need to protect and conserve the environment. Further, he addresses the gathering that it gives immense pleasure to see the high enthusiasm exhibited by the students who come forth for massive plantation drives. The program was designed and executed by students of the department under the guidance of Asst.Prof. Shephali Prakash and Dr.Areful. Students worked collaboratively to plant a variety of native tree species, including fruit-bearing trees, shade trees, and ornamental plants. Emphasis was placed on selecting species suitable for the local climate and ecosystem.

### Climate Change and its Impacts

The program on “Climate Change and Its Impact” was organized by the Department of Geography

# St. Xavier's College, Mahuadanr Latehar-822119, Jharkhand

in collaboration with Eco Club on April 4<sup>th</sup> 2024. The main resource person was Asst. Prof. Shephali Prakash. She explained the current global issue of climate change and its impacts like greenhouse gas emissions, global warming, extreme weather events, and mitigating and adapting to climate change. It aims to empower them to take informed actions to reduce their carbon footprint, advocate for policies that address

climate, and support sustainable practices to mitigate its effects on the planet and future generation

## RIVER CLEANING

The river cleaning program was initiated by the Department of Geography in collaboration with Eco-Club on 4<sup>th</sup> April 2024. Final year students with faculties went for river cleaning. The informative session was given on the spot to the villagers regarding river conservation and the potential impact of pollution on the aquatic ecosystem.

Students learned a sense of environmental stewardship. It provides students with hands-on experience in environmental activism and

community engagement, fostering a sense of responsibility towards the local ecosystem.

## WORLD ENVIRONMENT DAY CELEBRATION

In the academic year 2023-24, the Department of Geography, St. Xavier's College, Mahuadanr, conducted World Environment Day on the theme of **“Land restoration, desertification and drought resilience”**. The Welcome speech of this program was given by Assistant Professor Shephali Prakash and anchoring of this program

# St. Xavier's College, Mahuadanr Latehar-822119, Jharkhand

was conducted by Anju Rose Tigga Semester VI students.

Assistant Professor Dr. Md Areful Hoque explained the challenges faced by the environment, He advocates that the environment plays an important role in healthy living and the existence of life on planet Earth. He also said that the adoption of eco-friendly habits and technologies in daily life across industries. Om Kumar Thakur Semester I student delivered in his lecture that Environment Day is one of the greatest global events for the environment. We should raise awareness of environmental issues such as marine pollution, overpopulation, global warming, sustainable consumption, and wildlife crime. It is the only environment that nurtures us and helps us to survive. Lastly, a Vote of thanks for this wonderful program was given by Assistant Professor Rozy Sushmita Tirkey. The Department of Geography is highly thankful to our respected

principal Fr. Dr. M. K. Josh SJ Vice Principal Sister Kaslin Julliet and Eco Club Coordinator Assistant Professor Shephali Prakash for all kinds of support and permission for the completion of this wonderful programme. At the end of this program, there were many interactions and queries by the students with the faculty members. We extend our appreciation to the students for their cooperation, well discipline, and adherence to the instructions for the grand success of this event.

## CLEANING OF RIVER

**On January 6<sup>th</sup>, 2024, the Department of Botany spearheaded a collaborative effort to clean and restore a local river. The event aimed to engage community members in hands-on activities focused on improving the health and sustainability of the river ecosystem. Participants gathered at the designated location armed with gloves, trash bags, and other cleaning supplies. Guided by environmental experts and volunteers, the group embarked on a thorough cleanup operation along the riverbanks, removing accumulated litter, debris, and pollutants.**

**In addition to the cleanup efforts, educational sessions were conducted to raise awareness about the detrimental effects of pollution on river ecosystems and the importance of conservation practices. Participants learned about the significance of maintaining clean waterways for biodiversity, water quality, and overall environmental health.**

# St. Xavier's College, Mahuadanr Latehar-822119, Jharkhand

Furthermore, interactive discussions and demonstrations highlighted practical steps that individuals and communities can take to prevent pollution and promote sustainable river management practices.

## PLANTATION DRIVE

On February 3<sup>rd</sup>, 2024, the Department of Botany organized a Plantation Drive aimed at fostering environmental sustainability and biodiversity conservation. Community members, stakeholders, and volunteers gathered to partake in the tree planting activities organized at a designated location.

The event commenced with a brief orientation session, highlighting the importance of tree planting in mitigating climate change, enhancing biodiversity, and preserving natural

ecosystems. Participants were briefed on the selection of native tree species, proper planting techniques, and the significance of caring for newly planted trees.

Equipped with shovels, saplings, and watering cans, participants enthusiastically engaged in planting trees along designated areas, including public parks, roadside strips, and community gardens. Guided by botany experts and volunteers, they worked collaboratively to ensure the proper placement and care of each sapling.

## PLANTATION DRIVE

A plantation drive was organized by Department of Economics in Rajdanda village, aiming to enhance the local environment and promote sustainability. Community members, students and NSS volunteers participated enthusiastically, planting a variety of native trees. This drive was expected to improve air quality and offer shade and greenery to the village. This event also included educational sessions on the importance of trees and environmental conservation, fostering a sense of responsibility towards nature among the participants.

# St. Xavier's College, Mahuadanr Latehar-822119, Jharkhand

## TREE PLANTATION DRIVE PROGRAM

The students of the Political Science Department organized a tree plantation program at HaamiSatronant School, Mahuadanr, as part of their community engagement efforts in the adopted village school. The event, held on [Date], aimed to promote environmental consciousness and sustainability among the school children and the local community.

Led by enthusiastic volunteers from the Political Science Department, the program commenced with a brief awareness session on the importance of trees in maintaining ecological balance and combating climate change. Following this, the students and teachers of HaamiSatronant School actively participated in planting a variety of saplings within the school premises.

The tree plantation program not only beautified the school surroundings but also served as an educational opportunity for the students to learn about environmental stewardship firsthand. By involving the local community, including school staff and villagers, the event fostered a sense of shared responsibility towards preserving nature.

Overall, the tree plantation program at HaamiSatronant School, Mahuadanr, exemplified the commitment of the Political Science Department students towards sustainable development and community welfare. Such initiatives are crucial in instilling environmental values and fostering a greener future for generations to come.

## TREE PLA

## NTATION DRIVE PROGRAM

On 5th June, the students of Political Science at our college organized a tree plantation drive as part of an environment program. The initiative aimed to foster environmental consciousness among students and promote sustainability within the campus community.

The event began with an opening ceremony where faculty members and local environmentalists addressed the importance of tree planting in mitigating climate change. Students actively participated by planting a variety of saplings around the campus grounds.

# **St. Xavier's College, Mahuadanr Latehar-822119, Jharkhand**

Under the guidance of faculty advisors and in collaboration with environmental NGOs, the students meticulously planned the logistics and execution of the drive. The chosen date, coinciding with World Environment Day, added significance to the initiative, highlighting global efforts towards environmental conservation.

The tree plantation drive not only beautified our campus but also symbolized our commitment to environmental stewardship. It served as a platform for students to learn practical skills in tree care and sustainable land management.

Feedback from participants was overwhelmingly positive, with many expressing a sense of pride in contributing to greening efforts. Moving forward, the organizers aim to expand such initiatives and encourage more students to actively engage in environmental protection activities.

# St. Xavier's College, Mahuadanr Latehar-822119, Jharkhand

## GENDER AWARENESS PROGRAM

### GENDER AWARENESS PROGRAM (GOOD PARENTING)

Date: 20<sup>th</sup> December 2023

Asst. Prof. Dr. Fr. Samir Toppo has welcomed all the parents of Regain village for the programme. He addressed them highlighting the significance of good parenting in shaping children's attitudes towards gender roles, identities, and relationships. He stressed on the importance of promoting gender equality within the family, providing practical tips and strategies for open, honest, and respectful dialogue between parents and children. He also made them aware of the importance of positive role modelling in promoting gender equality and encouraged them to reflect on their own behaviours and attitudes as role models for their children.

## GENDER AWARENESS

### EQUAL RIGHTS FOR GIRLS AND BOYS

Date: 23<sup>rd</sup> March 2024

The Department of English organized a Gender Awareness Programme on “Equal Rights for Boys and Girls”.

Asst. Prof. Dr. Fr. Rajeev Tirkey addressed the students and parents by giving them insights on the equality of both the genders and the need to treat them equally first in the families, schools and in other areas of life. He stressed that it is the responsibility of parents to treat the children equally. Let the boys and girls grow together with the right mindset of equality.

## AWARENESS PROGRAM ON GENDER

# St. Xavier's College, Mahuadanr Latehar-822119, Jharkhand

The Department of Botany, in collaboration with local stakeholders, organized an informative session on Gender Support Networks and Services on January 20th, 2024. The event convened community members, particularly women and girls, to discuss and

# St. Xavier's College, Mahuadanr Latehar-822119, Jharkhand

disseminate crucial information about available support systems within the village.

Asst. Prof. Shalini Bara encompassed comprehensive discussions on various support networks, counseling services, and safe spaces designed to address the needs of women and girls. Attendees engaged in interactive sessions, sharing experiences, and learning about avenues for seeking assistance and empowerment.

Asst. Prof. Shalini Bara highlighted the significance of these support systems in promoting gender equality, fostering a safe and supportive environment, and facilitating access to resources for empowerment and protection. Through informative presentations and open dialogue, participants gained valuable insights into the importance of seeking help and utilizing available services to address their needs effectively.

## **GENDER EQUALITY PROGRAM**

The Department of History organized Gender equality program in Govt. School Regain village to infuse the meaning the need of gender equality in the family and village. Program started with the introduction speech by a college student Rajan Kachhap. He gave short introduction of the program and introduces the characters who were going to play a mime act in the stage. Act was heart touching where is shown a girl or boy child face inequality and indifference in the family and society. Being a boy some places he suffers and being a girl she suffers in the family and society. No were boy or girl are treated as equal. In words or speech everyone talk about equality but in reality this doesn't happens.

# St. Xavier's College, Mahuadanr Latehar-822119, Jharkhand

organized a program based on gender discrimination. Gender Equity Cell coordinator Asst. Prof. Smita Tigga had hosted the program meticulously under her many students had participated to demonstrate a short speech and program. Student had prepared speech and delivered to the crowd inspiring them that based on gender no male or female should face discrimination in the society. All should have equal rights and opportunity for the growth. Parents should not discriminate their children based on the gender and they were requested to spread awareness in the society so that society may progress and there should not be justification that would make differences in the society.
