ACKNOWLEDGEMENT

First of all I praise and thanks the **ALMIGHTY GOD** from the depth of my heart for showering his grace, love and blessing to make this Endeavour possible.

I am profoundly thankful to my beloved principle, **Dr. Fr. MK Joseph SJ** for allowing me to study the under-Graduate course in this historical institution.

I thank Prof. **Md. Zafar Aqubal**, (MSC NET), Head of the department of physics, St. Xavier's College, Mahuadanr -822119, for allowing me to take this project and permission to use the lab and the instruments available in the department.

Asst. Prof. Ajay Kumar Saw was also my guide for this project work. I am extremely grateful for his inspiring guidance, useful discussions and encouragement throughout the project whose meticulous and patient guidance, ha enriched me personally and intellectually.

I thank Fr. Dr. Samir Toppo SJ, Administrator of St. Xavier's college Mahuadanr, who allowed me to use the computer all the time during the college hour.

I express my heartfelt thanks to all my fellow students who encouraged me to finish this project work successfully.
