# ACKNOWLEDGEMENT

I would like to express my special thanks of gratitude to my teacher **Asst. Prof. Amrit Minj** as well as our **Principal Dr. Fr. M.K. Jose** who gave me the golden opportunity to do this field project on the topic **“Procedural knowledge of rice production”**, which also helped me to develop my skills and knowledge.

I am also grateful to my classmates and friends for their help in finding sources and gathering data and to complete this project within the limited time frame.

Last but not the least; I want to thank all my supporters who have motivated me to fulfill the project before the timeline.

## CONCLUSION

The industrial tour of the rice factory proved to be an enriching and highly educational experience for both students and faculty. Thanks to the cooperation of the Manager, Mr. Santosh Sahu, and Engineer in charge, Mr. Jaidev Kumar, the students gained comprehensive knowledge of the rice processing procedures and engaged in fruitful interactions with the factory personnel. The students displayed a keen interest in the processes, machinery, and the overall factory operations. In conclusion, the visit was a valuable and productive learning experience for all involved.
